

学生实训工坊安全责任承诺书

Workshop Safety Acknowledgement Form for Students

本人确认已仔细阅读《温州肯恩大学建筑与设计学院实训工坊安全管理规定》，并通过口头及在线培训全面了解相关安全规范。本人知悉，未能遵守这些规定可能对他人及自身造成严重伤害。同时，本人承诺将以负责任的态度妥善使用所有工坊材料与设备。

I hereby confirm that I have carefully read the "Wenzhou-Kean University College of Architecture and Design Workshop Safety Management Regulations" and have completed verbal and online training on relevant safety protocols. I am aware that failure to observe these regulations may cause serious injury to others and to myself. I also acknowledge that it is my responsibility to handle all workshop materials and equipment with care.

本人确认以下事项：

I acknowledge the following:

1. **安全设施位置：**我已了解工坊内消防器材（灭火器、消防栓）、个人防护设备（护目镜、防割手套、防噪耳罩等）及废料分类回收箱的具体位置。

Location of Safety Facilities: I have been shown the locations of firefighting equipment (fire extinguishers, fire hydrants), personal protective equipment (safety goggles, cut-resistant gloves, hearing protection, etc.), and waste sorting bins within the workshop.

2. **操作规范认知：**我已熟悉工坊基本工作流程及常用设备的操作方法。我理解，操作未经培训的设备可能导致严重事故。

Understanding of Operating Procedures: I am familiar with the workshop's basic workflows and the operation of common equipment. I understand that operating equipment without proper training may lead to serious accidents.

通过在下方签字，我郑重承诺：

By signing below, I hereby solemnly undertake that:

1. **培训与授权：**本人承诺绝不操作任何未经培训或未获得相应授权（如《特种设备操作许可证》）的设备。

Training and Authorization: I will never operate any equipment without prior training or required authorization (e.g., "Special Equipment Operation License").

2. **“三查制度”：**本人将严格执行开机前检查设备状态、运行中监控异常、关机后断电归位的操作规范。

"Three-Check Protocol": I will strictly follow the protocol of inspecting equipment status before startup, monitoring for abnormalities during operation, and ensuring power-off and tool return after shutdown.

3. **个人防护：**进行切割、打磨等危险作业时，本人必佩戴双重防护（如护目镜+防割手套）；进入工坊时，必穿戴全封闭防滑鞋履，束起长发。

Personal Protective Equipment (PPE): When performing high-risk tasks such as cutting or grinding, I will wear dual protection (e.g., safety goggles + cut-resistant

gloves). When entering the workshop, I will wear enclosed anti-slip footwear and secure long hair.

4. **禁止行为:** 本人承诺不擅自改装设备, 不进入未经授权的危险区域; 不携带食品、饮料、易燃易爆品进入工坊; 不在工坊内吸烟、饮食或追逐打闹。

Prohibited Behaviors: I will not modify equipment without authorization, nor enter restricted hazardous areas. I will not bring food, beverages, or flammable items into the workshop. I will not smoke, eat, drink, or engage in horseplay inside the workshop.

5. **场地维护:** 实训结束后, 本人将及时清理工作台废料并分类丢弃, 归还工具至指定位置, 关闭设备电源, 确保工坊整洁安全。

Workspace Maintenance: After completing workshop activities, I will promptly clean my workstation, dispose of waste properly, return tools to designated storage areas, and power off all equipment to ensure the workshop is clean and safe.

本人理解并同意: 如违反本承诺书的任何条款, 我可能被禁止使用实训工坊, 并被取消相关课程或项目的工坊准入资格。本人自愿承担因违规操作所引发的一切后果。

I understand and agree that: If I violate any term of this Acknowledgement, I may be barred from using the workshop and removed from workshop access for related courses or projects. I voluntarily assume all consequences arising from any violation.
